We are Very Proud of the Outcome - Thank You [CEF](#)!

Grant # 2 Plastic Free Beach Empowerment

We also appreciate CEF funding the above billboards as part of the Empowering the Plastic Free Beach project. The New Reusable water bottles designed for this project along with the Plastic Free Beach Animation can be found below. Awareness Raising Live Links have also been held.

Grant # 3 Bring Your Cup

“Bring your Cup” because the Solution is in our hands!

BRING YOUR CUP
IT'S THE NEW TREND

The 'Bring your Cup' app was created by EUROCY Innovations Ltd for the 'Keep our Sand and Sea Plastic Free' Project with a grant from the Cyprus Environment Foundation (CEF). 'Bring Your Cup' is an idea of the "Keep Our Sand and Sea Plastic Free" Project, which is an initiative of the TUI Care Foundation in partnership with the Cyprus Sustainable Tourism Initiative (CSTI).

“The “Bring your Cup” Project is a very promising project with potentials to have great environmental impact through the active engagement of youth bringing their reusable cup with them wherever they go.

The application has been created & is available at bringyourcup.org.

It provides the following two options:

- to sign up as a user
- to sign up as a business

We encourage you All to sign up, Carry your Cup with you Everywhere & be a Part of the Solution!

"Tourism Cares: Unite for a Cleaner Cyprus"

The "Tourism Cares: Unite for a Cleaner Cyprus" initiative united 60 tourism businesses, 1,200 staff, and 450 hotel guests in cleaning coastal and public areas across Cyprus, removing over 1,500 kg of waste! Celebrating #WorldTourismDay 2024 and its theme, "Tourism and Peace," this effort highlights how tourism promotes sustainability and cross-cultural understanding. We are grateful to all hotels, businesses, and participants and for support from the Deputy Ministry of Tourism. Together we contributed to a cleaner, greener Cyprus!

2024

Opening Ceremony

Pediaios: A River, A Vision of Sustainability
Through 84 unique initiatives, we highlighted the beauty and value of the Pedaios River, transforming it into a living mosaic of nature, culture, and collaboration. A mosaic of diverse people joined forces for a common goal, sending a powerful message: Pedaios can and should remain a reference point for Cyprus!

2nd Pancyprian Climate Change Conference: Tourism in the era of climate change: Challenges and innovative approaches

University of Nicosia

Thursday 5.12.2024

Co-organized by the Deputy Ministry of Tourism, the
Office of the Commissioner for the Environment and
Animal Welfare & CSTI

Special thanks to the **speakers** for inspiring attendees with their presentations. Building on the success of last year's event, the conference highlighted the impact of climate change on the tourism industry and set priorities for the future. The conference was held under the **auspices of the President of the Republic of Cyprus.**

#WasteFreeCyprus – River Awareness & Clean-up Campaign, Kalopanayiotis

CSTI & the “Keep our Sand and Sea Plastic Free, Destination Zero Plastic in Cyprus” project took action & contributed to the #WasteFreeCyprus initiative. Our impactful effort brought together 30 volunteers, including Hospitality and Tourism students from the University of Nicosia, who actively participated in the clean-up.

This campaign highlights the importance of collective action in promoting environmental sustainability and reducing plastic waste, while also fostering community engagement and environmental awareness.

The #WasteFreeCyprus initiative is a collaborative effort supported by the Ministry of Agriculture, Rural Development, and Environment, the Department of Environment, and the Office of the Commissioner for the Citizen.
